Sunday Services

We praise God for seeing our country through the peak of C+ wave. As the government eases the restrictions for religious gathering, please note the following.

From 26th April 2022 onwards,

- Service will continue to onsite and online live via YouTube.
- Congregational singing is allowed with masks on.
- There is no need for safe-distancing between mask on individuals.
- There is no need for SafeEntry check-in anymore.

We further encourage small groups to resume in-person meetings where possible.
