

James 2: 1-13

FAITH WORKS!

1. James commanded those who “hold faith in our Lord Jesus Christ” not to show partiality (v.1). Was James against treating the rich well? What issue was James addressing (v.4)?
2. What were the two laws mentioned by James (vv.8; 12; see Lev 19:15–18)? Why is showing partiality a violation of these laws and contradicts God’s character (v.5)?
3. Towards what groups of people have we been partial or judgmental? How can we repent of these attitudes and practice mercy (v.13)?
