

Genesis 41: 1-57

- 1. In what areas of your life have you experienced God's power (either as a beneficiary of it or as a wielder or God's power)?**
- 2. What are some good ways and some bad ways that you have seen God's power being wielded?**
- 3. After you have heard the sermon, how can you apply the three ways of relating to God's power in your own life?**
