KNOWING WHY YOU BELIEVE

SOTERIOLOGY: WHY JUSTIFICATION BY FAITH

(GALATIANS 2: 5-20)

1. Are there occasions when you are displeased with some church practices or the lack of it? What do these practices represent? Are they culturally informed?
2. Are there values from your culture or Singapore that you hold dear and important (e.g. what kind of studies or work should your children do?) Are these values Christian? Why or why not?
3. Are there aspects of your life that give you self-esteem? For example, your career? Achievements? Your wealth or status? Your work ethic? How may these be temptations to pride?
