

Luke 2: 40-52

1. How does the only story of Jesus' youth in the temple (Luke 2:46-47) demonstrate his understanding of his mission at a young age? What insights do we get into Jesus' identity as the Son of God?
2. What can we learn about the nature of Jesus' relationship with his earthly parents, Joseph and Mary, from this passage? What did Jesus' return & submission to his parents (v.51) teach us?
3. In what ways do the actions and words of Jesus in this story foreshadow his ministry and teachings as an adult?
