

1. Why do we celebrate Good Friday and Resurrection Sunday?

2. Why does the Church perform baptism?

3. Think back to your baptism – how did you feel? What significance does your baptism have for you today?
(Or if you are a believer who is not baptised yet: what is stopping you from taking this step of obedience to God?)

4. We are raised to new life in Jesus for the purpose of living a life committed to God. How might such commitment look like, concretely-speaking, in this phase of your life? Take some time to pray to God to renew your commitment.
