

Sermon on the Mount

Matthew 5:13-16

1. In what ways does the use of salt in Lev 2:13 relate to our calling as Christians to be the salt of the earth (v.13)? How can we be a preserving and enhancing influence in our communities?

2. How can we find courage and strength to shine God's light in a world that is often filled with darkness (vv.14-16; cp Psa 27:1)?

3. Read Isa 58:6-7. How can we be intentional about caring for those in need, and how can we ensure that our good works point people to God and glorify Him?
