

LESSONS FROM THE KINGS: JEHU

2 KINGS 9 - 10

1. Are there areas in our lives where we might be living in hidden sin and disobedience? What do we do when we have something to hide from God or others?
2. Do we have the habit of practising self-examination before God? Are we acutely aware of our constant need for God's grace and forgiveness?
3. How often do we read or hear the Word of God i.e., the Bible? How often and eager do we pray? Do we regard the church as necessary and important in our walk with God? Why, or why not?
