

Romans 8: 19-23

1. Ask yourself – what do you personally know and feel about creation care? (creation care = the Christian spiritual discipline of taking care of God's creation in God-honouring ways)

2. How is creation care a way of living out our duty as stewards of God's creation?
What might this look like in our daily lives?

3. How is creation care a way of living out our duty to love our neighbour, esp. the poor and marginalised?

What might this look like in our daily lives?
