

# John 1 : 1 - 14

1. Jesus is described as the “true light” which darkness has not overcome (cf. John 1:5,9). How does this revelation impact our understanding of God?

2. John 1:6-9 speaks of John the Baptist bearing witness for Jesus. How can we too shine for Christ this Christmas season? Are there individuals God has placed in our hearts to reach out to?

3. John talks about how “the world” did not receive Him, yet it was for this same world that Jesus came for (John 3:16). How does this impact my attitude towards sharing the gospel?
