

# 1 JOHN 4: 7 - 21

1. How does understanding that "God is love" (v. 8; 16) influence your idea of God's nature and your relationship with Him?
2. If "perfect love casts out fear" (v. 18), what fears or insecurities do we need to surrender to God's perfect love, and how can we cultivate a deeper trust in His love for us?
3. In what ways can we better embody God's love in our daily interactions with others, especially those whom we find difficult to love?
