

# Joel 2 :18-32

#REPENTANCEMATTERS

Verse 2:27 describes three things that repentant people ought to know.

1. What does it mean that God is "in the midst of Israel"?
2. What does it mean that God is "the Lord your God"? In particular, what is the significance of the word "your"?
3. What does it mean to say that "there is none else" other than God?
4. How does knowing these three things shape the way we relate to God and live our lives?
