

1. Read John 1:1-14 as well as John 4:1-42. In what ways does Jesus show grace and truth in his encounter with the Samaritan woman at the well, as well as her community?
2. Consider the groups that you are in - family, colleagues, running buddies, etc. What would the word made flesh look like to them?
3. Share these concerns and ideas with your care group. Brainstorm about how you can each be the word made flesh in your groups and pray for one another.
