

Luke

4: 14-30

1. What did Jesus say He has been anointed to do (vv. 18-19)? How does Jesus' declaration of His mission challenge us in our faith journey?
2. How do we, like the people of Nazareth, limit our understanding of Jesus' ministry (vv. 22-24)?
3. Consider a time when God's work in our life didn't meet our expectations. How did you respond? Why?
