

The background features a warm, abstract design with overlapping circles in shades of pink, orange, and light blue. Scattered throughout are small pink dots and larger blue speckles. On the right side, there are delicate line drawings of flowers and leaves in blue and green.

## 5: 1-11

#encounteringJesus

1. Peter obeys Jesus' call to cast his nets but first raises "reasonable objections" (see Luke 5:5). Do we do the same when Jesus calls us to obey?
2. Peter's response to the miraculous catch is striking—he kneels before Jesus and confesses his sinfulness. How can we make confession a vital part of our faith journey?
3. As we look back on our faith journey, what transformation can we see in our live? (i.e. How has Jesus impacted/changed you?)
