#encounteringJesus

1. What was the man in the crowd's root problem (v. 13; 21)? How does the parable challenge your view of possessions?
2. Why does Jesus say we shouldn't worry (vv. 22-31)? Which reason speaks to you most?
3. What radical action does Jesus command in v.33, and what promise comes with it? How can you live this out?
