

# *Book of Daniel: The Faithful King*

1. Daniel 1 reminds us that “God is in control” is a statement of faith, not passive resignation. God is always working for His glory and our good. Reflect on the areas where trust is hard, and surrender them to Him.

2. What does “choosing to honour God” mean in your life right now? Consider where you can do so intentionally, and where you struggle to not be defiled by worldliness. Ask the Holy Spirit for help and strength.

3. If you're facing a difficult time, what hope does today's passage offer? Reflect on God's sovereignty in your trial, and give thanks for the eternal life we have through Christ.
