

Book of Daniel: The Faithful King

1. Where do you feel pressured today to “bow down” (vv. 4-6) in order to fit in or get ahead?

2. How does the “but if not” (vv. 17-18) faith of Daniel’s friends challenge your own trust in God’s goodness and sovereignty?

3. What would it look like for you to experience and display God’s presence in the midst of your own “fiery furnace”?
