

Empathy as... missional.

1. Consider Prov 14.10: How does this verse describe the world accurately? Why is the world like this?

2. Consider Phil 2.4: Why is empathy grounded in looking to the interests of others? How does selflessness promote empathy?

3. Consider 1 Cor 12.22-26 (esp. v.26): How can we live out the vision of the church in these verses, especially through the practice of empathy?
