

Lot Maintenance Committee Report
As part of the Arc/Lot/Office Combined Committee
July 18, 2020

Karl Davis and Jess Ellis, Committee Co-Chairs
karld@bigelkmeadows.org or jesse@bigelkmeadows.org

Charter: To work with Big Elk Meadows lot owners in becoming compliant with the Big Elk Meadows HOA Rules and Regulations associated with the exterior portions of their lots.

Committee Members: Karl Davis and Jess Ellis as Co-Chairs and Members as Richard Matteson.

Lot Committee Tasks

- The Lot Maintenance Committee participated in the construction of the patio area and the planting of the Aspen grove for the new office.
- 1027 Aspen has removed the metal fabric to the left of their driveway entrance gate. This allows members to access the west side of the Little Deer Retention Pond.
- The Lot Maintenance Committee supported the Social Activities Committee throughout the day on Clean-Up Day transporting slash and yard debris to the slash pile in the quarry. This was another successful Clean-Up Day in the Meadows and the Committee would again like to thank those members who got a jump start on mitigating and clearing their yards this season.

BEM Garden Club

A dozen BEM members (and one Pinewood resident) attended the first BEM Garden Club meeting hosted by BEM member Karina Zedalis with support from Jess Ellis. The meeting focused on member introductions, joys and pain points of mountain gardening, plant identification, fire-wise and water-wise gardening ideas, and future presentations and projects. Karina and Jess are working together to determine the best method for club communications moving forward (Google Groups, Email, Facebook, etc). There has been more community interest, so we expect the group to grow and evolve over time.
