**Charter:** To follow and enforce the Declaration, Protective Covenants, Bylaws and Rules and Regulations provided by the Big Elk Meadows members past votes to insure any changes in architecture comply with and reflect the beauty of our long established community.

**Committee Members:** Kent Broome and Karl Davis as Co-Chairs, Members as Barrett Rogers, Mike O’Connell, Mike Lively, Matt Boshinski and Jeff Seifried.

**ARC monthly report:**

Special thanks to Karl for helping out as the co-chair, without him the committee/MYSELF wouldn’t get much done since I have been traveling.

Busy month for the ARC and with Committee members actively engaged in other tasks, it has been slow to get comments on requests submitted. Most of the incoming requests concern replacing roofs, decks and paint. No major jobs in the pipeline at this moment.

The majority of requests have been approved. Exceptions are two from member Baurick which are currently under review and three new requests that were received in the past few days.
