

Friends of Big Elk Meadows

Co-Chairs Devona Saylor & Cathy Faughnan

Charter: To enhance Big Elk Meadows aesthetically and functionally by identifying and developing amenities for the community which can be fully or partially paid for by donations and/or fundraising.

Strategy: In addition to stand-alone projects identified, the committee will also work in coordination with the Finance and Long-Range Planning Committees to identify capital projects that lend themselves to fundraising efforts to supplement HOA funds directed at specific projects. All projects and fundraisers will be shared with the BEMA Board for approval and where necessary the Architectural Review Committee and the Community.

Members of Committee: Leona Forsberg, Catherine Paddock, Karina Zedalis, Jess Ellis, Selina Davis, Elaine Murphy, Jeana Krause and Bobby Clevenger.

No Meeting in October, 2020

Fundraisers:

- **Fundraiser of Big Elk hats- sold at office \$20.**
- **Fundraiser of Calendar for Holiday Purchase. We have received over 95 photos from Members of scenic, flowers, and animals. We would like to thank all the Members for their entries. Committee is in process of selecting the 12 photos.**
- **Fundraiser Trail Maps both wall and folded ready by Spring 2021 will be in gathering information from Members on their favorite trails during late fall and winter.**
- **Fundraisers to Sponsor items such as posts, dog waste station and benches at Dog Park, Splash Pad and Bike Rack.**

Projects:

- **After presenting Dog Park to the Board in Sept., the Committee is still processing with Members suggestions and location preferred. Donations for Dog Park would be: Post \$50, Dog Waste Station \$325, Bench \$525. The dog park area will be fenced in using ranch style fencing. The committee will investigate avenues for cost effective supplies for the project.**

- In presenting Splash Pool with feedback from Board Members and Members their ideas for sand area by pool would be pergola if splash pool is not decided on. Sandbox moved out of pool area.
- Bike Rack at the office instead of the pool area because there is one for the pool area at present.
- Trail cleaning was approved by the Board. One trail would be to Upper Meadow off Hickory. This would be with volunteer's labor.
- Wildflower Seeds for Garden Club (\$500 using Funds available)
