

Water Rights Committee Report

Mar 19, 2022

Ryan Sommers, Chairperson

Members: Victoria Darling, Karl Davis, Paul Flanagan, Patrick Gill, Alan Hatfield, Roy McCutchen and Bill Tolle

Purpose: To protect the water rights decreed to Big Elk Meadows

Action Items

- **(In Progress) Action Item:** Working on due diligence application (due November 2022) for conditional water rights
- **(In Progress) Action Item:** Turning over many regular water release and water accounting duties to Applegate Group. This will help BEMA maintain consistency and ensure we're meeting our obligations. BEMA will still be in charge of data collection.
