

## 特色 Distinctiveness

課程旨在堅固的基督教信仰基礎上，提升學員的領導力，尋求城市轉化、企業 / 機構轉化或文化 / 精神轉化。

此課程乃為那些在教牧學博士課程覆蓋範圍以外處境下工作，又需要裝備的領袖而設，以切合他們跨文化、多元化組織及政治環境工作的需要。

The program is designed to enhance the leadership skills of individuals seeking city transformation, entrepreneurial/ organizational transformation, or cultural/spiritual transformation. The DTL is a degree that serves the needs of Christian leaders in both cross-cultural and diverse organizational and political settings, providing the need to equip Christian leaders who work in contexts outside the scope of what Doctor of Ministry (DMin) can cover.

# 轉化型領導學博士

## Doctor of Transformational Leadership (DTL)

### 對象 Target

以基督信仰為基礎的城市領袖。他們的組織着重（但又不只於）救援、發展、維權或文化影响等工作。這些組織可以是非牟利、牟利、政府又或是非政府的。

Leaders in organizations that are focused on urban relief, development or advocacy, or cultural influence from a Christian perspective. These organizations can be non-profit, for-profit, government or non-government entities.

### 成效 Outcome

課程設計與教牧學博士相似，透過課堂講授、走訪探究海內外不同城市、小組討論、反省、整合、研究、習作及論文等，為學員提供全面的裝備、理論及實踐並重，但會更着重組織的需要和領導學的研討和實踐。我們鼓勵學員儘量將學習迎合他們的環境和工作的需要，務求學以致用，使他們的同儕/機構得益，事工得以拓展和提升。

DTL is quite similar to DMin in course design, through a variety of instructional methods which include interactive lectures, visiting and investigating different cities, small group discussion and projects, reflection, integration, research, class assignment and dissertation/ministry project, the participants will be equipped both in theory and practice. However, DTL places a greater emphasis on the needs of the organization as well as the studies and practice in Leadership. We ask every student to write every assignment, including the Dissertation, in ways that benefit their team and institution. Once the student has completed his/her degree both the institution and the student will have been strengthened.
