BIOGRAPHY

JUSTIN MCGEE brings over 18 years of experience as an adjuster, appraiser, consultant, and umpire within the construction industry, offering a well-rounded perspective on the complexities of property claims and large-scale reconstruction projects. His extensive background includes consulting on multi-million-dollar developments and managing commercial reconstruction efforts, where he has consistently demonstrated a keen ability to balance technical expertise with practical project execution. His depth of knowledge allows him to navigate intricate construction challenges with precision, making him a trusted resource in building consulting.

In addition to his technical proficiency, Justin is recognized for his exceptional communication and leadership skills. He has built strong working relationships with attorneys, adjusters, carriers, and policyholders, ensuring that all parties remain informed, aligned, and confident throughout each stage of the process. His commitment to accuracy, expediency, and adherence to timelines reflects a professional standard that is highly valued in the building consulting industry, where efficiency and clarity are critical. Through his dedication and expertise, Justin delivers results that not only meet, but often exceed, client expectations.
