BIOGRAPHY

RUBEN MIRELES holds a degree in Business Administration from California Baptist University and has over two decades of experience in the construction and property consulting industries. He began his career in the heavy civil construction sector and quickly advanced into leadership roles managing complex commercial and institutional construction projects. Prior to entering the consulting field, Ruben served as a Project Manager for an ENR Top 100 General Contractor, where he gained extensive experience overseeing large-scale vertical construction projects.

As a Partner at 360 Building Group Consulting, Ruben plays a key role in the firm's strategic growth, operational development, and national expansion. In addition to consulting on complex property losses, he focuses on strengthening client relationships, developing service offerings, and supporting the continued growth of 360BGC's national consultant network.
