

# IOWA STATE FAIR CONCRETE STATUES

## HOW TO ENTER

Take part in the 2022 Iowa State Fair theme "Find Your Fun" by creating your very own statue. The statues will be displayed throughout the grounds, August 11-21, 2022.

Individuals, clubs and companies are invited to participate by simply completing the application with your proposed design. Selected applicants will then pick up the statue from the concrete manufacturer at Created in Johnston, paint it, and return the statue to the Fairgrounds. Following the Fair, the statue is yours to keep.

Prizes: A panel of judges will award prizes on originality, creativeness and overall look. Two divisions of statues will be judged during the Fair; Professional and Novice. **(Professional is if 25% or more of your income comes from graphic design or art.)**

Winners will receive sign recognition next to their statue, an Iowa State Fair plaque, rosette and:
