EXHIBIT AT THE IOWA STATE FAIR

The award-winning Iowa State Fair has played host to **more than a million Fairgoers** for 18 of the past 21 years, and 2022 should be no different. Every August, Fairgoers gather on the east side of Des Moines to share in long-standing traditions and fun with family and friends. Bringing your brand to the Iowa State Fair will provide you with **direct interaction** with Fairgoers for the length of time that fits for your staff and goals.

Fairgrounds-wide, hundreds of manufacturers and industrial representatives **clamor to rent coveted exhibit space**. Nearly **600 exhibitors and concessionaires** sell quality merchandise and tasty foods, with several edible options served on a stick. Hundreds of displays, exhibitions, demonstrations, unique attractions and all kinds of competition – for fun, for ribbons and for the pride of winning – make the Iowa State Fair the greatest state fair in the nation.

National media frequently **rank the Iowa State Fair one of the top events** in the country. In 2004, USA Weekend named the event the #2 choice for summer fun in America, topping New York City's Times Square, Cedar Point Amusement Resort in Ohio and Disneyland in California. Midwest Living magazine names the Iowa State Fair one of the "Top 30 Things Every Midwesterner Should Experience." The Fair also is the only fair listed in The New York Times best-selling travel book, *1,000 Places to See Before You Die*, and the subsequent travel book, *1,000 Places to See in the U.S.A. and Canada Before You Die*.

The Iowa State Fair is also known as "**America's classic state fair**" because the event features all the traditional activities associated with state fairs in a park-like, 450-acre setting, which has been the Fair's home since 1886. The Fairgrounds and adjoining 160 acres of campgrounds are listed on the National Register of Historic Places. Most of the buildings pre-date World War I; many are priceless examples of iconic American exposition-style architecture.

Throughout its history, the Iowa State Fair has been a unique institution, serving to educate, inform and entertain people from all walks of life. It is an outstanding agricultural showplace, boasting one of the world's largest livestock shows. The Iowa State Fair is also an entertainment destination in Iowa and the Midwest, and showcases visual and performing arts with a variety of special exhibits and activities.

Put the Iowa State Fair in Your Marketing Mix

We are happy to work with you to **create the best visibility** for your organization.

Exhibiting at the Iowa State Fair offers you an unequalled opportunity to make direct, person-to-person contact with prospects on all levels. **No other single event in the state offers you as much potential** because no other event attracts as many people...more than a million. Exhibit areas are traditionally one of the most popular attractions of the Fair. Most visitors make it a point to find out what's new, interesting and innovative in the agricultural, industrial and commercial areas.

A FEW DETAILS TO CONSIDER

The following information will be helpful in planning an Iowa State Fair promotion or sales campaign for your products.

HOW TO EXHIBIT

- **Purpose** – Decide what you want to do and establish exhibit objectives.
- **Budget** – Set your budget.
- **Space** – Utilize the 100 square feet of space effectively. You must accommodate visitors inside your booth footprint without blocking the nearby sidewalks or crowding other exhibitors.
- **Sampling** – Food and beverage sampling is not allowed inside the Varied Industries Building.
- **Set up and Tear Down** – Please adhere to the following parameters as you plan set up and tear down activities:
 - **SET UP** ... 8 am is the earliest you will be allowed access to the space. You will have a pass to allow you to drive to the loading bay for unloading. Plan for expedient unloading and set up; simple and easy is ideal.
 - **TEAR DOWN** ... You must vacate the space as soon after 8 pm as possible. Again, an easy and simple tear down process is ideal. **PLEASE NOTE:** Vehicles will not be allowed access to the south loading bay at 8 pm. The ideal plan is to walk out with your remaining supplies. Golf cart assistance MIGHT be available through the Sponsorship Director or Sponsorship Intern if advance arrangements have been made.

Booth Design

- Use a professional designer, if possible.
- Determine specific sales points. Present them simply and directly.
- An on-the-spot demonstration is more effective than an elaborate, costly, static display.
- Create an eye-catching and bright booth.

Staffing

- Your employees need to be well-groomed and courteous.
- Be sure they are fully informed.
- Plan to have an adequate number of staff to allow periodic breaks and maintain continual staffing.
- Hours of operation are 9 am to 8 pm daily.

Electricity and Wi-Fi

Electricity and Wi-Fi are available but must be ordered prior to July 1. Charges apply and an order form will be provided.

Insurance

All exhibitors must carry general liability insurance with a minimum amount of \$1,000,000 coverage. Supplemental coverage to meet this requirement can be obtained through the Fair office for a fee. Details will be spelled out in the contractual agreement.
