6. Due to the increasing number of substitutions, exhibitors are requested to submit substitutions in writing to the superintendent at [jdukej@aol.com](mailto:jdukej@aol.com) by Monday, August 8. This allows the show program and cage cards to be revised and allows for a more accurate show.

11. Entries in the meat and egg classes may be any commercial meat or egg type bird. Production practices generally accepted by the commercial poultry industry are acceptable.
12. Exhibitors will be limited to a total of 10 entries. A pen consists of one male and two females, old or young (i.e. one cock, two hens or one cockerel, two pullets). An individual bird may also be shown in a trio.
