

IOWA STATE
FAIRGROUNDS

The spacious 4-H Exhibits Building is a one-story, fully-enclosed, heated brick building covering nearly 41,000 square feet of exhibit space. The exterior of the building features extensive clerestory windows and elaborate stone carvings. Completely self-contained, the facility is the optimum venue for variety of events including dog shows, pet expos, flea markets, consumer or trade shows, parties, and craft shows.
