

IOWA STATE FAIR * AUGUST 12-22, 2021
DATA COLLECTION BOOKLET
FFA NOMINATION AND ENTRY PROCESS

DATA COLLECTION BOOKLET

This booklet is provided to assist advisors and exhibitors in collecting data needed for State Fair FFA nominations. It is for data collection purposes only. All nominations must be submitted online on or before the nomination deadline. Paper copies will not be accepted. Advisors are encouraged to obtain signatures on the data collection forms and keep them on file for their records. It is the advisor and member's responsibility to verify the data before the nomination/entry is submitted.

YQCA

All FFA beef, dairy cattle, dairy goat, meat goat, poultry, rabbit, sheep and swine exhibitors will be required to provide birth date and YQCA certificate number at the time of entry. These must be submitted online with the entry (on or before July 1). PQA and PQA Plus will not be accepted.

FFA PREMIUM BOOK

The FFA Premium Book is available on the Iowa State Fair website at <http://www.iowastatefair.org/participate/competition/how-to-enter/#ffa>. **Please read the FFA General Rules for specific instructions on nomination/entry submission and deadlines.** Also read each department section where the chapter has nominations/entries.

TAGS

Advisors are to use the Tag Order Form to request tags for their chapter. All unused tags, including broken tags, must be returned by the noted due date. **Chapters will be invoiced \$5 per tag for unreturned tags. Chapters will not be issued tags until all past due fees have been paid.** The fee for tags used on animals not nominated for State Fair is \$5 per tag. Please notify the Entry Department of these tag numbers when submitting payment.

An FFA advisor and one other adult must be present to witness the tagging and DNA collection of all performance beef, pigs, market lambs, commercial ewes and meat goats. **UNDER ABSOLUTELY NO CIRCUMSTANCES SHOULD EXHIBITORS BE ALLOWED TO TAKE HOME TAGS OR DNA SAMPLE ENVELOPES AND DO THE WORK THEMSELVES WITHOUT THE SUPERVISION OF AN FFA ADVISOR AND ANOTHER WITNESS.**

If an animal loses an ear tag, exhibitors are to replace it with a new tag. Contact the Iowa State Fair FFA Entry Department prior to the Fair to receive a Replacement Tag Form. The replacement tag must be in place before the animal arrives at the Fair. All animals that have a replacement tag will be subject to new DNA being collected at the time of check-in for their specific species.

OWNERSHIP

Nominations/entries in FFA registered classes **MUST** be registered in the name of the exhibitor. However, if ownership is with a family partnership, family corporation or school sponsored cooperative, the following information **MUST** be presented on the **Livestock Partnership Form**: A. name of corporation, cooperative or partnership; relationship, B. animal information (tag #, etc.), C. percent ownership, D. species, E. classes to be exhibited in and F. signature of exhibitor. The **Horse Identification Form** (and three color photos) must be submitted by the exhibitor for all horse nominations. If a horse is leased, a copy of the lease agreement must also be submitted.

Livestock Partnership Forms and Horse Identification Forms (and three photos of horse) must be submitted by the nomination deadline. Registration certificates for registered animals **MUST** be presented before showing when called for by the supervisor.

Be sure to reference the [FFA 202](#) document posted on the Iowa FFA Association's State Fair page.

CHAPTER ROSTER

Students must be listed on the chapter roster with the Iowa FFA Association **BEFORE** they will be included in the chapter's online roster for State Fair nominations and entries. **Please plan ahead.** It may take several days for a member to be available on the State Fair roster after they have been submitted to the National roster. They are first approved by the Iowa FFA Association and then an updated roster is sent to the State Fair.

EXHIBITOR INFORMATION

After selecting a student from your State Fair online list, review the exhibitor's profile (**including address**) and enter the exhibitor's phone number, e-mail address and county. Note: Changes made to the exhibitor's profile will only be in effect for State Fair purposes. It is extremely important for the Fair Office to have the correct contact information for exhibitors. Their sale/premium checks are sent to the address provided in the exhibitor profile.

All nominations must be submitted online at www.iowastatefaireentry.org on or before May 15.

NOMINATION PROCESS

Obtain all necessary signatures needed for DNA samples. If a parent or the exhibitor is not present, they will need to obtain signature waiver forms from their FFA advisor. The completed waiver forms must be sent to the FFA Entry Department with the DNA samples on or before the nomination deadline.

The exhibitor's FFA advisor and one other adult must witness and supervise the weighing, tagging and collection of hair samples for all pigs. Nomination of FFA lambs, meat goats and performance beef must be witnessed by an FFA advisor and another adult or be completed during a county weigh-in.

All extra tags and DNA envelopes **MUST** be returned to the Iowa State Fair by the nomination deadline, or the delinquent chapter will not be eligible to show at the 2021 Iowa State Fair and will be invoiced \$5 per tag.

DNA ENVELOPES

An envelope must be submitted for each animal (Performance Beef, Carcass Value Pigs, Market Pigs, Commercial Gilts, Registered Breeding Gilts, Market/Carcass Lambs, Commercial Ewes, Breeding Meat Goats and Market Meat Goats) nominated. Using pliers, pull 20-40 hairs from the animal. Do not cut the hair with a knife or scissors. **Follicles (bulbs) must be attached to the base of the hair.** Place hair samples in an Iowa State Fair DNA envelope. Make sure envelope is sealed completely and that all hair is sealed inside the envelope. Once sealed, DNA envelopes are to remain sealed. **Be sure to clean pliers between animals as to not cross-contaminate samples.**

Each envelope must be completely filled out - including all signatures. If a parent or exhibitor is not present, use the signature waiver form and send it with the DNA samples.

PERFORMANCE BEEF

 - c. Hide Color
 - d. Birth Date (if produce)
3. To be eligible for online nomination, the following must have been mailed to the FFA Entry Department on or before February 1:

BREEDING AND MARKET MEAT GOATS

1. Each exhibitor is allowed to nominate a maximum of 30 total meat goats. Each exhibitor is allowed to show a maximum of 4 market goats, 4 breeding does and 2 breeding bucks at the Fair. Nomination fee is \$5 per goat.

IOWA STATE FAIR * AUGUST 12-22, 2021

- b. Tattoo (not required)
- c. Birth Date

- e. Scrapies Tag/Tattoo (does)
- f. Registration Number (if registered)

Yearling and aged does may use previously issued official Iowa State Fair FFA tags or may use recognized registry tattoo numbers (both ears). All meat goats must submit a DNA sample. If using a registry tattoo number for identification rather than a State Fair tag, list tattoo number on the DNA envelope.

MARKET/CARCASS LAMBS AND COMMERCIAL EWES

1. Each exhibitor is allowed to nominate a maximum of 25 market/carcass lambs and commercial ewes. Each exhibitor is allowed to show a maximum of 4 commercial ewe lambs, 4 commercial yearling ewes, 5 market lambs and 2 carcass lambs at the Fair. 3. Commercial yearling ewes with a prior year's FFA tag must use a current year (issued in 2021) FFA tag.

MARKET PIGS, CARCASS VALUE PIGS, COMMERCIAL GILTS AND REGISTERED BREEDING GILTS

1. Pigs must be ear notched using the universal ear notching system (1-3-9-27-81). The pig's right ear is the litter number and the pig's left ear is the pig number. **Ear notches will be checked at State Fair and must match nomination and entry records. If you have any questions about reading ear notches, please get a second opinion.**

Right Ear:

The right ear is used for litter mark and all pigs in the same litter must have the same ear notches in this ear. The right ear is the pig's own right.

Left Ear:

The left ear is used for notches to show individual pig number in the litter. Each pig will have different notches in this ear. The left ear is the pig's own left.

2. Each exhibitor is allowed to nominate a maximum of 40 total pigs and show a maximum of 4 crossbred and 4 purebred market pigs, 4 carcass value pigs, 2 commercial gilts and 6 registered breeding gilts at the Fair. Market and carcass value pigs can be either barrows or gilts. Nomination fee is \$5 per pig.
3. All swine must be identified by the following methods:
 - a. Ear Notches
 - b. FFA Issued Ear Tag

IOWA STATE FAIR * AUGUST 12-22, 2021
HELPFUL TIPS & REMINDERS FOR NOMINATIONS

DNA ENVELOPES

- Write CHAPTER NAME on the envelope (not chapter town or chapter number).
- Write exhibitor's first and last name on the envelope.
- Make sure the exhibitor name and tag number are legible.
- If more than one exhibitor is nominating the same animal (siblings or school cooperative), then all names need to be listed on the envelope and all need to sign the envelope.
 - There is a DNA validation sheet that can be used for signatures - contact Tracy if you want a copy of this sheet. All exhibitor names will still need to be listed on the envelope. Validation sheet with signatures is due by May 15.
 - A Livestock Partnership Form for each of these exhibitors is due by May 15.
 - Nominations must be submitted online under each exhibitor by May 15.
- Rubberband or paperclip envelopes by species and in exhibitor order.
- Parent/Member Waiver is required if the parent/member was not present at the time of DNA collection and tagging.
 - Waivers must be sent with the envelopes by May 15.
 - If the parent/member witnessed the DNA collection and tagging, a waiver is not needed. They need to sign the envelope.

TAGS

- Use 'loose' tags first.
- Use tags on strips in number order.
- Make sure the tag back has the same USDA number as the tag front.
- Let the Entry Office know if you gave tags to another chapter or used tags from another chapter.

HORSES

- All horse nominations require the Horse Identification Form and three pictures of the horse (front and both sides). These must be sent by May 15.
- If using loose pictures, tape them to a sheet of paper.
- Staple the Horse ID Form to the pictures (form on top).

MEAT GOATS

- If using a registry tattoo number for identification rather than a State Fair tag, list tattoo number on the DNA envelope.

SWINE

- It may be beneficial to write the ear notch numbers on the DNA envelope in the event an issue arises at check in.
- Origin Address of each pig must be listed if different than exhibitor address. Origin Address is where the pig will come from when brought to the Fair.

MISC.

- Send payment, nomination calculation sheet, extra tags and DNA envelopes in same package if at all possible.
- Do not send Data Collection Sheets. They are to be used when submitting nominations online.
- Do not send animal registration papers. Exhibitors should bring these to check in at the Fair.
- Send Market Broiler Order Forms and payment separate from nominations and to Attn: Tracy Wiseman. The orders need to be processed before we typically get through all of the nomination mail.
- Send Usher/Stage Attendant Signature Sheets separate from nominations. The applications need to be processed before we typically get through all of the nomination mail.
