

Benedictine Living Community-Osseo offers our independent living residents an opportunity to gain peace-of-mind for themselves and their families through our At Your Service program – a unique program only offered here, exclusively for you.* The At Your Service program gives you an invaluable package of benefits and services: regular health and wellness checks, medical care coordination, and access to support, care, and assistance from Benedictine Living Community-Osseo team at a reasonable cost** – amongst other benefits. Participation in At Your Service allows our team to give you help in an emergency, support after an illness, and ensure your medical records are being well-managed and are up-to-date.

Rates effective Nov. 1, 2022

Monthly Care Coordination Fee: \$350

- Initial health and wellness evaluation from a registered nurse.
- Ongoing quarterly scheduled nursing assessments
- Maintenance of medical records
- Annual medication renewal
- Nurse liaison with health care professionals including care coordination with lab
- Care coordination with Twin Cities Rounding Physicians is available to AYS clients
- AYS response to call for assistance, including pendant response. (See “Individual Services Billed Separately” below)

Note: Primary care provider services available to At Your Service clients only.

* Residents who do not participate in At Your Service do not have access to Benedictine Living Community-Osseo’s team for support, care, or services – including assistance in an accident, illness or fall.

** Rates for support, care and assistance are typically less than the costs of outside services.
