10:00 a.m. or 6:00 p.m.

We're hosting **two free 90-minute educational programs** on Wednesday, February 23rd, and we hope you can join us!

Choose the time and location that works best for you while you relax with your neighbors, enjoy a cup of coffee and refreshments, and listen to a panel of experts discuss some important topics.

The events of the past 24 months have touched all of us and had a dramatic impact on our lives. As a result, **things seem to be changing often and changing quickly**, making it difficult to know what type of planning we should be doing to protect ourselves, our assets, and our families.

Now, more than ever before, it's important for us to have updated and correct legal forms in place. **Powers of attorney, wills or trusts, health care directives, funeral and/or cremation directives, senior housing, and long-term care options** all play a role in our end-of-life planning. Many of these tools are actually fairly simple to set up and affordable if done in advance.

We will follow any state safety guidelines in place at the time of the programs for public gatherings, and **advance registration is required to assist us in our preparation of food and handouts.**

We hope you can find the time to join us, and please feel free to **invite a friend or family member to attend with you.** We look forward to seeing you there!

Everyone who attends will receive a folder of take-home information.

Advance registration is required to assist us in our preparation of seating, handouts, and food.

Please call 952.445.2755, email amy@mcnearneyfuneralhome, or text 612.599.3425 to reserve your place.

This invitation is being distributed to the entire community. Please accept our sincere apologies if this reaches your home at a time of bereavement or serious illness, as such was not our intent.
