

Where Italy Becomes Your Stage

PRIVATE EVENTS AT ANTOGNOLLA

Umbria, Italy

A PRIVATE WORLD, RESERVED FOR YOU

Antognolla is not a venue. It is a 540-hectare private estate in the heart of Umbria—where history, landscape, and quiet sophistication come together to create moments that cannot be replicated. Nestled within this unspoiled landscape, we offer a sanctuary where tradition and contemporary vision converge.

Here, every event becomes part of a legacy.

THE ESSENCE OF ANTOGNOLLA

- 540 hectares of rolling Umbrian hills
- A restored 12th-century castle and borgo — a masterpiece undergoing a meticulous restoration to preserve its storied past
- Award-Winning Golf — an 18-hole course, with signature design by the legendary Robert Trent Jones Jr.
- La Boiola — more than a restaurant, La Boiola is a celebration of artisanal mastery, transforming ingredients grown in our own soil into a culinary narrative that stays with you
- Vineyards, olive groves, and untouched nature that preserve the soul of the land
- Absolute privacy, just 20 minutes from the historic center of Perugia

This is Italy—unfiltered, authentic, and entirely yours.
