# Dobrodošli u priču stoljetne otmjenosti

## Welcome to the story of centennial elegance

INTRODUCTION

Tražeci idealno mjesto za izgradnju svoje impresivne palače, prije 1700 godina rimski ga je car Dioklecijan pronašao na obali Jadranskog mora koja je 270 dana godišnje okupana mediteranskim suncem. Palača danas čini povijesnu jezgru grada Splita i pod zaštitom je UNESCO-a, a u stoljećima koja su uslijedila pa do današnjih dana, po carski tretman u Split nastavili su dolaziti mnogi državnici i aristokrati, ugledni gospodarstvenici i političari, elita europskog kulturnog stvaralaštva, kao i mondene glumačke i brojne sportske zvijezde.

Takvu, besprijeckornu uslugu u elegantnom ambijentu sofisticirane i vrlo ugodne atmosfere, unutar kamenih zidova prekrasnog objekta već od 1921. godine na ovom dijelu Mediterana može ponuditi samo jedan prestižni hotel – Park.

Searching for an ideal spot in which to build his impressive palace, 1700 years ago the Roman emperor Diocletian decided to settle on the Adriatic Sea coast which is bathed in Mediterranean sunshine for 270 days a year. Today, the palace represents the historic centre of the city of Split and is under the protection of UNESCO. In the course of the centuries from the construction of the palace until today, numerous statesmen and aristocrats, distinguished businessmen and politicians, the elite of the European cultural scene, as well as a number of popular movie and sports stars have been coming to Split for a royal treatment.

Since 1921, Park Hotel has been the only prestigious hotel in this part of the Mediterranean to provide such impeccable service and elegant ambiance within the stone walls of its sophisticated establishment.

Hotel Park, perjanica hotelijerstva u gradu i regiji, u potpunosti je obnovljen 2015. godine te je i ovom prilikom trasirao put novih i još viših standarda vrhunske te nadasve jedinstvene hotelske usluge. Očuvane su njegove karakteristične estetske vrijednosti istaknute profinjenošću art-deco stila u interijeru restorana, lobija, zimskog vrta kao i u 72 sobe, uz nenametljivu prisutnost suvremene tehnologije. Šarm otmjenosti hotela dodatno je naglašen kroz profesionalnu i diskretnu uslugu hotelskog osoblja.

In 2015, Park Hotel, the crown jewel of the hotel industry of the city and the region, was fully renovated and refurbished, once again paving the road for new and even higher standards of supreme and unique hotel services. It's characteristic aesthetic values have been preserved, highlighted by the refined Art Deco style interior of the restaurant, lobby, winter garden and 72 rooms, which feature discreet elements of modern technology. The elegant charm of the hotel is further accentuated by a professional and discreet service provided by the hotel staff.

Hotel Park je priča koju želite doživjeti. Barem jednom u životu.

Park Hotel is a story which you want to experience. At least once in your life.

DESTINACIJA

## Iskusite ljepotu življenja Experience the beauty of life

DESTINATION

Split je grad neopisivog šarma i temperamenta, simbol lijepog življenja ali i sjecište najvažnijih pomorskih, zračnih i cestovnih pravaca. Okruženje grada obiluje intrigantnim arheološkim nalazištima poput lokaliteta Salona, te gradova Trogira i Šibenika čiju vrijednost štiti UNESCO, a istražujući zaleđe, na samo dvadesetak minuta udaljenosti, pronalaze se ruralna mjesta u kojima je svaki aspekt življenja čvrsto ukorijenjen u stoljetnoj tradiciji.

Hotel Park jedini je hotel koji ima privilegiju nalaziti se u rezidencijalnoj četvrti Bačvice, na najpoznatijoj istoimenoj gradskoj plaži, odakle ugodnom šetnjom za desetak minuta se dolazi do vibrirajućeg centra grada. Split obiluje kulturnim događanjima, koncertima klasične i moderne glazbe na otvorenom i raznim performansima kojima su stoljetni spomenici upečatljiva scenska kulisa.

Split is a city of singular charm and temperament, a symbol of the good life, as well as the intersection of major maritime, air and road routes. The city's surroundings are rich in intriguing archaeological sites such as Salona and towns of Trogir and Šibenik, protected by UNESCO due to their historic importance. While exploring the hinterland, only twenty minutes away from the city, one can find rural areas in which every aspect of life is firmly rooted in centennial tradition.

Park Hotel is the only hotel with the privilege of being located in the residential Bačvice neighbourhood, on the most famous city beach with the same name, only a pleasant ten minutes' walk away from the city's vibrating centre. Split abounds in cultural manifestations, open-air concerts of both classical and modern music, and various performances to which the centuries-old monuments serve as an impressive stage setting.

Iz soba Hotela Park pogled seže na naše otoke od kojih je svaki jedinstveni spoj tradicije i moderne turističke ponude, a jedina nedoumica s kojom se naši gosti susreću je koji od njih posjetiti. No, i u tom slučaju možete se s povjerenjem prepustiti našoj preporuci. I o njima ćemo vam ispričati zanimljive priče.

The view from the Park Hotel rooms opens onto the islands, each of which is a unique blend of tradition and modern tourist offer, leaving our guests with only one dilemma – which one to visit. In such a case you can fully rely on our recommendation, as we have some interesting stories to tell you about each of them as well.

GASTRONOMIJA

## Delikatne arome Mediterana

### Delicate aromas of the Mediterranean

GASTRONOMY

Hotel Park od svog osnutka 1921. godine sinonim je vrhunske gastronomije ne samo među inozemnim gostima već pogotovo među brojnim Splićanima. Zahvaljujući klimi, Dalmacija je područje u kojem uspijevaju najsladši mirisni plodovi voća i povrća, područje je bogato aromatskim ljekovitim biljem koje ima velike zasluge i u odličnom okusu mesa, dok su dubine Jadranskog mora prepune kvalitetne ribe. Upravo u organski uzgojenim namirnicama leži tajna vrhunskog gastronomskog doživljaja restorana Hotela Park koji njeguje autohtone vrijednosti domaće kuhinje sa suvremenim prizvukom, i uz autorski potpis Chefa kuhinje.

Since its establishment in 1921, Park Hotel has been a synonym for top-quality gastronomy, not only among foreign guests, but among a large number of locals as well. Thanks to its climate, Dalmatia is an area in which the sweetest, fragrant fruits and vegetables grow, and an area rich in aromatic herbs which are largely responsible for the exquisite taste of meat, while the depths of the Adriatic Sea teem with top-quality fish. It is precisely the organically grown products that hold the secret to the supreme gastronomic experience offered by the Park Hotel restaurant, which nurtures authenticity of the local cuisine with a modern twist, and with the personal signature of the kitchen's Chef.

Posebni eno–gastro užitak uz praćenje svjetskih trendova sigurno će zadovoljiti i oduševiti okusima i izgledom te nadmašiti sva očekivanja. Iz liste biranih vina, domaćih i inozemnih vinara, naši vrsni sommelieri preporučuju odgovarajuće vino uz svako jelo i svaku priliku.

Rado pozivamo goste da u društvu našeg Chefa odaberu namirnice na lokalnoj ribarnici i tržnici te potom poprate pripremu jela u prostranoj hotelskoj kuhinji. Obrok se može konzumirati u diskreciji zasebne prostorije, uz jedinstveni Chef's table, uz neposrednu komunikaciju s glavnim kuharom koji će svojim umijećem ispričati jedinstvenu priču za vaša nepca.

Special eno–gastronomic pleasure following the world trends will satisfy and delight with taste and appearance and surpass all expectations. From a list of fine wines produced by local and foreign winemakers our skilled sommeliers will recommend to match ever meal and any occasion.

We invite our guests to pick the groceries in the local fish market and green market accompanied by our Chef, after which they can observe the dishes being prepared in the hotel's spacious kitchen. The meal can be consumed in an intimate atmosphere of a separate dining room, at the unique Chef's table which has a direct communication with the head chef whose artistry and skill tell a unique story for your palates.
