SPA TEMPLE DIANA

The Spa Temple Diana originates from a rich history of Rimske terme and the times of the Ancient Romans who were aware of the healing power of thermal springs. It is a temple of relaxation and well-being where you are spoilt by unique spa treatments based on healing powers of thermal water. Thermal water, which is rich in minerals, has numerous healing effects: it eases pains, improves, blood circulation, improves the skin, reduces stress and tiredness thus regaining life energy.

In the 19th century many established personalities from the Austrian, French and English courts indulged in the thermal springs of the Kings' marble bath and the Caesar's bath (the Austrian Emperor Ferdinand, princess Sisi with her husband, the Austrian Emperor Franc Jožef, the English princess Victoria, Napoleon's sister Murat and others).

Indulge yourselves in the medicinal thermal springs in Rimske terme, boost your immune system, and restore your life energy in a mighty and rich ambience of the Spa Temple Diana with a 2000-year old. tradition.

PRIVATE SPA

The private spa is a great choice to indulge yourself in a private ambience that offers you a complete relaxation.

The room is equipped with a bath, a comfortable rest area and a sauna. You can choose between a Finnish/ infrared sauna or a steam sauna.

Your self-indulgence will be accompanied by selected cosmetic products for body care (peeling, body yogurt and cream that you can apply during your indulgence).

For a complete private spa experience, you can order tasty food from our restaurant. You can select dishes from a culinary menu and pamper your taste buds as well.

SPA TREATMENTS

Spa treatments at Spa Temple Diana are performed on a heated stone table, which helps to relax the muscles, improve blood circulation and relieve pain.

It also helps to improve your mood and boost your energy as heat relaxes the body and reduces stress.

PEELING

Body exfoliation is a procedure in which dead skin cells are removed. This helps to improve the appearance of the skin as it makes the skin smoother and more radiant.

There are several types of peelings available for you:

- **salt herbal peeling** – Herbs in salt herbal peeling can have anti-inflammatory effects that can help relieve inflammation on the skin. Peeling also has analgesic effects that can help relieve muscle and joint pain.
- **sugar peeling** – Oil in sugar peeling moisturizes the skin and protects it from drying out, it also helps relieve skin inflammation.
- **rice piling** – Rice peeling contains antioxidants that help protect the skin from the sun's rays and enzymes that help the skin retain moisture in the skin.

45 € | 20 min

BODY WRAP

Body wraps are useful for all skin types, but especially for dry, irritated or inflamed skin. The coating moisturizes the skin, reduces inflammation and pain. Body wraps also help relieve muscle and joint pain, improve blood circulation and mood.

- **honey milk wrap** – It is suitable for all skin types, especially for dry and sensitive skin. It improves the appearance of the skin by making it more smooth, shiny and healthy, it moisturizes the skin and prevents its dryness.
