CIGARS

Romeo Y Julieta No.2 Tubos

22.00 Eur

One of the most consistently well-made and reliable Cuban Cigars going, the No.2 is essentially Romeo Y Julieta's classic Petit Corona, tubed. Slightly different in appearance, being round instead of box-pressed, and slightly different in taste because of its cedar wrapping, the No.2 remains pleasant and mild throughout. Cedar, leather and coffee in fairly even measure make up the cigar's profile for the most part, with it becoming a little earthy towards its cool finish.

Serie V Melanio

24.90 Eur

In 2012, to pay tribute to the first man in the family to grow tobacco for cigars, Oliva added a version of Melani, which differs from the original with a Wrapper made from Sumatra seeds grown in Ecuador. Oliva Serie V Melanio has rich notes of leather framed by a range of coffee, caramel and woody intonations. It has a classic, beautiful white smoke. This cigar was made in 2014. Cigar Aficionado Magazine declared it cigar of the year and won 96 points

Davidoff Grand Cru No. 5

14.90 Eur

The unmistakably sophisticated Grand Cru blend springs from only the finest leaves from the most carefully selected fields and makes for mild and lightly floral cigars with a nutty finish. The Davidoff Grand Cru No. 5 presents the blend in a petit corona format with the shortest enjoyment time of the line.

Leaf By Oscar Connecticut Robusto

12.20 Eur

The Leaf by Oscar Connecticut Robusto is an excellent premium cigar rolled with Honduran binder and filler tobaccos and a seamless golden brown Connecticut wrapper. Tamer than most Oscar Valladares blends, this gem boasts a mellow to medium bodied profile making it a top-choice for a morning to early afternoon smoke. Both newcomers and seasoned enthusiasts alike will find the complex nuances of sweet tobacco, coffee, cedar, and subtle hints of spice very appealing.

Davidoff Club Cigarillos /10

24.00 Eur

Indulge in the finest quality with Davidoff Club Cigarillos. Hand-selected tobaccos from Indonesia, Brazil, and the Caribbean are expertly blended and wrapped in a prime Sumatra sand-leaf wrapper. Experience a beautifully balanced and harmonious smoke like no other.
