

THE PEOPLE'S PLANT™ TRAILBLAZER

THE PEOPLE'S PLANT™ INVESTOR REWARDS

The People's Plant™ is set to transform the Australian medical cannabis market by providing high-quality and affordable products. By cultivating premium, outdoor-grown cannabis using a hybrid perpetual harvest model, we aim to provide a consistent year-round supply at a fraction of the cost of traditional indoor operations.

Your investment is essential in helping us complete our Stage 1 infrastructure and move into commercial production, making high-quality medicinal cannabis accessible to all Australians. We couldn't do this without your support.

As a token of our gratitude, we're thrilled to introduce The People's Plant™ Trailblazer—our investor rewards program. **Some aspects of the rewards program are immediate, while others will roll out progressively over time.** A key benefit of the Trailblazer program, is our exclusive app (release estimated within 6-12 months), offering further rewards and 'Future Benefits' when permitted by the regulator.

All investors will gain access to the following benefits:
