

INVESTOR REWARDS

In addition to being a shareholder of Kelland Environmental Technology Pty Ltd, a range of rewards are being offered for investors. These include:

- **Rewards A, B, & C:** Free subscription to the waste collection service for a certain period of time for you or someone you know (initially the household nappy collection service is only available in metro-Melbourne). This reward can be used at any time subject to certain conditions.
- **Rewards B & C:** A 30 litre bag of our recycled disposable nappy cat litter. Please note that it might take some time for us to produce enough cat litter for distribution. Delivered in Australia only.
- **Reward D:** We're intending to have a friends' page, for investors and customers to tell everyone why they support what we're doing, and every investor is invited to join in with a photo and comment – no pressure!
- **Reward E:** Arthur is our cat litter cat – Category 4 investors are invited to offer him a new name, and he'll adopt the name that fits him best.
- **Reward F:** Our cat litter hasn't got its real brand name yet. Right now it's called *Cat Litter -made from recycled nappies*. Category 4 investors are invited to offer your suggestion to help us find just the right name for our cat litter.
- **Reward G:** Category 3 and Category 4 investors will be invited in small groups to visit the recycling plant to see it all in action*.
- **Reward H:** Category 4 investors will be invited to the launch of the Sydney plant, assuming that all funds required to establish the plant are raised*.
