

MULTIFORCE BK T91

Description

MULTIFORCE BK T91 is BKT's brand-new industrial rubber track series for compact track loaders (CTL) employed in material handling applications. The tread is made of a high-performance compound that ensures maximum resistance against cuts, tears, and abrasion. The aggressive, C-shaped tread pattern provides superior handling and excellent traction on all terrains. MULTIFORCE BK T91 features dual forged metal core for strength and excellent durability.
