PREFACE

The horses registered in this volume, 5a, are those omitted, for various reasons, from volume 5. Volumes 5 and 5a cover the period of 2000 up to and including 2003 and contain the registration numbers from 1850 up to and including 3124.

This volume carries the records of brood mares to the end of 2005, particularly the years 2004 and 2005. Some foal registrations from 2006 and late registrations from earlier years have been included.

All the breeding stock in Qatar are DNA typed and parentage verification is compulsory for foals since 1998. The registration authority in Qatar has used the Trovan system up to 31 December 2005 and after that date the ISO system

Breeders and owners are requested to examine the entries of their horses in this studbook and to notify the registration authority of any errors, in order that these may be corrected.

The Qatar Arabian studbook volume 5a was compiled by Abdulaziz Jassim Al Boenain.
