Race 6: QATAR SILVER SWORD - PUREBRED ARABIAN (4yo only) (Class 1) 1850m

General:

| Horse No | Colours | Horse | Jockey | Incident |
|----------|---|-----------------|-----------------|---|
| 1 |  | AJS LATTAM (QA) | Szczepan Mazur | Hung out over the final 200m and proved difficult to be placed under pressure thereafter. |
| 2 |  | AL KAZIM (FR) | Jefferson Smith | No report. |

| Horse No | Colours | Horse | Jockey | Incident |
|----------|---|---------------|----------------|---|
| 3 |  | AL ZWAIR (FR) | Valentin Seguy | <p>Stewards inquired into the circumstances surrounding AL ZWAIR (second place), commencing to shift out abruptly near the final 150m and continuing to run outwards for the remainder of the race.</p> <p>After interviewing Szczepan Mazur AJS LATTAM (first place) and Valentin Seguy, Stewards made the following findings:</p> <p>1: AJS LATTAM was hanging out from the 200m.</p> <p>2: AL ZWAIR was positioned upsides AJS LATTAM passing the 200m</p> <p>3: Szczepan Mazur stated that when he applied the whip in his left hand passing the 200m, his whip arc varies slightly due to his mount's racing manners; however, the whip did not make contact with AL ZWAIR. AL ZWAIR appears to react by barely raising its head away from Szczepan Mazur's whip.</p> <p>4: The footage confirms Point 3.</p> <p>5: Approaching the 150m, AJS LATTAM commences to shift out slightly, and when Szczepan Mazur's whip (within its normal arc) is in an upward motion after applying it to his mount, it potentially contacts an area under the jaw of AL ZWAIR, which reacts slightly by raising its head and shifting out marginally for approximately the next three (3) strides.</p> <p>6: It is only then, between the fourth or fifth ensuing strides, while Valentin Seguy has the whip in his right forehand and in close proximity of AL ZWARI's head and eye, that the colt commences to run outwards of its own volition. AJS LATTAM, nor does Szczepan Mazur have a bearing on this movement.</p> <p>7: AL ZWAIR continues to veer outwards, shifting considerably during the final stages. As a result, the colt could not be properly tested.</p> <p>8: Valentin Seguy's did not lodge a protest against the winner, AJS LATTAM.</p> <p>9: The material effects detailed in Point 5 did not warrant Stewards protesting on behalf of the connections of AL ZWAIR, and it should be noted that Point 8 did not influence this decision.</p> <p>10: There was no tangible evidence to suggest that the incident at 150m (Point 5) correlated with AL ZWAIRS' outward movement, detailed in Points 6 and 7. Therefore, Stewards were comfortably satisfied that the shift outwards could not be directly attributable to the circumstances detailed in Point 5.</p> |

| Horse No | Colours | Horse | Jockey | Incident |
|----------|---|---------------------------------|--------------------------|--|
| | | | | <p>11: It was determined that AL ZWAIRS' racing manners during the relevant stages had adversely impacted upon it finishing in the best possible placing.</p> <p>12: Szczepan Mazur was advised that the circumstances detailed in Point 3 were of concern, and in the future he must be cautious that his whip does not impede other runners.</p> |
| |  | BASHEER AL SHAHANIA (FR) | Lukas Delozier | No report. |
