8		FATHI (QA)	Abdulla Rashid Al-Hajri* (-4kg)	<p>Crowded at the start between MANDOOB and SAMRAN, both of which shifted ground. In this incident, JAAHIZ was eased.</p> <p>Rider explained that apart from noting that the colt had coughed on two occasions during its preliminary, he was unable to provide any further explanation for the disappointing performance. He said that leaving the 1000m he shifted out to improve around horses that were unlikely to provide him with a favourable passage to the race. He added this decision to shift out and race wide and without cover was also based upon GALEB AL SHAHANIA (eventual winner), racing well in advance of FATHI, and he felt tactically it was beneficial to be closer to that runner.</p> <p>Apprentice Abdulla Rashid Al-Hajri was reminded of his obligations to notify the Veterinary Officer of any welfare concerns he may have either pre- or post-race.</p> <p>A post-race veterinary examination revealed no apparent abnormalities.</p>
