

## AW 702

### Description

AW 702 has been developed for implement machinery, trailers and balers in soil tillage and haulage applications. This heavy-duty tire has been designed by BKT to provide a new level of durability. AW 702 is available in different versions to meet specific end-user needs: an "aramid belted" version for those who need strengthened puncture resistance, the "HD" version has a special cut-and-chip resistant compound, while the "special" version provides extraordinary stubble resistance.
