

PORT KING CLASSIC

Description

PORT KING CLASSIC is BKT's latest-generation port tire, which has been specially engineered for container handling equipment. The tire ensures maximum operating efficiency and exceptional stability in lift mode. Thanks to its strong nylon casing, PORT KING CLASSIC stands out for higher load capacity minimizing the risk of impact breaks, snags, and punctures. The new wear-resistant compound has been developed to ensure an extended product life-cycle, and to provide the best return on investment.
