# TR 145

TR 145 has been specifically designed for small tractors. The special tread pattern provides excellent traction and outstanding self-cleaning properties. The wide and deep lug design ensures an extended tire service life. The TR 145 tire has a large contact area which offers excellent driving comfort and high directional stability.

	Tire size	RIM		S.W. (mm)	O.D. (mm)	SLR (mm)	RC (mm)	Version	PR	Type	LI/SS
		Rec.	Alt.
