## 600 SERIES SPEAKER PACKAGES

### Rotel A12MKII Integrated Amplifier

RRP \$1,999

The A12 integrated amplifier features clean lines and intuitive operation with output power rated at 60 Watts per channel RMS into 8 ohms. Rotel engineers begin their quest for uncompromising audio performance at the power supply. This is the heart of an amplifier and an area where considerable time and investment is spent. This amplifier offers all of the features you need in an amplifier and none of those you don't.

### Bowers & Wilkins 603S2 Speakers

RRP \$4,599

The powerful 603 S2 Anniversary Edition combines the accuracy and transparency of the acclaimed Continuum™ mid-range cone with the scale and authority of two dedicated bass drivers. Featuring upgraded crossovers for even more transparency and a unique trim-ring to celebrate its status, the 603 S2 Anniversary Edition is the most sophisticated affordable floor-standing loudspeaker Bowers & Wilkins has ever made.
