2. You can pay using Debit Card / Credit Card / Internet- banking options provided under the 'Payments' section.
3. Provide the banking information as asked on the screen. Transaction charges will be borne by you.
4. On successful completion of the transaction, an e-receipt will be generated, which you can print for future record.
5. The printout of the application form and e-receipt doesn't have to be sent to the Bank.

Tips to Beat Rush on Last Day to Pay Application Fee for SBI PO 2016

1. Access the webpage from high speed internet centres.
2. Do not use your mobile phones or tablets. Use a computer, preferably.

3. If you cannot submit your application during day time, attempt to make the payment after 9 PM as fewer people will be active during that time of the day. The link will get **deactivated today after 12 midnight**.

Tips for Online Payment of Application Fee

A major problem that the applicants are facing is "Transaction Failure". Right after authorizing the transaction, a blank screen comes up along with some error message. In such a situation, the following steps must be followed by the candidate:

1. Login to the application form & check the status of your previous payment.
2. If you see anything else apart from "**Success**" in the fee status, you need to make the payment again.
3. If money has been debited from your account without the "Success" message. Do not worry. SBI says, "The amount debited for failed transaction will be refunded back to your account within **3-7 working days.**"
