The application fee is Rs.600 (for General/ OBC) & Rs.100 (SC/ST), which should also be paid online before May 30th 2016.

Guidelines for Online Payment of Application Fee

1. Candidates need to visit the official SBI website and open the appropriate online application from, available in the "Current openings" section.
2. Payment can be made by using the Debit Card / Credit Card / Internet-banking options provided under the 'Payments' section.
3. Provide the banking information as asked on the screen. Transaction charges will be borne by the candidate, if any.
4. On successful completion of the transaction, an e-receipt will be generated, which may be printed for future record.

5. The printout of the application form and e-receipt doesn't have to be sent to the Bank.

Problems with Waiting for Last Date to Pay Application Fee for SBI PO 2016

A major problem that the applicants are facing is Transaction Failure. Right after authorizing the transaction, a blank screen comes up along with some error message. In such a situation, the following steps must be followed by the candidate:

1. Login to the application form & check the status of your previous payment.
2. If you see anything else apart from "**Success**" in the fee status, you need to make the payment again.
3. If money has been debited from your account without the "Success" message. Don't worry. SBI says, "The amount debited for failed transaction will be refunded back to your account within **3-7 working days.**"
