After today, no more applications or editing of the application form will be entertained. However, **SBI has extended the payment of fee deadline Check here to find out new deadline for fee payment.**

As State Bank of India is one of the largest public sector banks in India, there is last minute rush to pay fees & submit applications for their **2200 PO vacancies**. This article will guide you on **how to register for SBI PO recruitment without any issues & what to do in case you encounter any problems**. Just keep in mind that **today is the last date to register for SBI PO 2016.**

New Registrations

For candidates who haven't registered for SBI PO 2016, steps given below need to be followed to immediately submit your registrations without a hitch. Urgency is required as today is the last date to register for SBI PO 2016. Make sure you have everything ready.

- First and foremost, ensure that you fit into the various eligibility norms set by SBI before proceeding to apply online.
- Now carefully start filling up the SBI PO application form 2016 on their website by providing your details like Name, Address, Education qualification details, age, valid mobile number, valid email id etc.
- Applicants must get their passport size photograph and signature scanned as you are instructed to upload it.
- Remember to keep all the necessary documents & certificates in hand while entering your marks. Mistakes made in this section can lead to disqualification.
- After completely filling your application form, check for typing mistakes.

- Make the fee payment through online mode using Net banking/ ATM Card/ Debit Card/ Credit Card. Note that the SBI has extended the last day to pay the fee to **30ᵗʰ May 2016** but it is always better to complete the payment beforehand.

Problems Faced on Last Day to Register for SBI PO 2016 & How to Fix Them

The biggest disadvantage that a candidate faces on the last day to register for SBI PO 2016 is the traffic to SBI's website. Candidates have been complaining about the frequent disconnections and high loading time of the website for the last one week.

SBI had also warned applicants in advance that they are expecting heavy traffic on their website on the last day to register for SBI PO 2016. Here are some ways to avoid this issue:

- Access the webpage from high speed internet centres.
- Do not use your mobile phones or tablets. Use a computer, preferably.
- If you cannot submit your application during day time, attempt to register after 9 PM as fewer people will be active during that time of the day.

The link will get **deactivated today after 12 midnight**.
